

Neighbors Helping Neighbors

If you'd like to be a good neighbor to an elderly or handicapped person needing assistance and living on your block, here's some tips that may be welcomed.

10 "Good Neighbor" Tips

1. Introduce yourself, offer your phone number to assist when needed.
2. When making a trip to the store, call and ask if they need anything.
3. Offer to help them with tasks that may be difficult to perform.
4. Offer to mow their lawn when you're out mowing yours.
5. Bring a thermos of coffee or cold lemonade to share while visiting.
6. When making a meal for your family, prepare a plate and take it over.
7. Help keep them aware of mail or phone scams directed at the elderly.
8. Offer to help them from time to time with physician appointments.
9. Learn what they enjoy and suggest activities of interest.
10. Help them understand how to use cell phones and computers.
